HIPAA-Compliant Mobile Storage for 50+ Files

Narrative

Transform your post-acute homecare vehicle into an organized HIPAA-compliant mobile office. Lid opens and straps around any seat headrest for safe transit. Two heavy-duty zippers accept the Universal Combination Paddle Lock and secure confidential patient files. Bag is fully collapsible for quick and convenient storage.

Bulleted Copy

- Lockable for continual HIPAA compliance
- Hardware for hanging standard-width files included
- Ballistic nylon construction for enhanced durability and security
- Additional pockets for supplies

ADDITIONAL COPY

Feature Callout Copy

Store pens, pencils, and highlighters on inside of lid

Feature Callout Copy

Keep cell phones, wallets, and other personal accessories secure in external pockets while in-transit
